OHD-LE650W

65" Water Tight Sun Light Readable HDTV's

Water Tight LCD HD Panels
Welcome to Your new Entertainment Room!

OutdoorHDTV is the ultimate outdoor entertainment accessory. It is a full High Definition, daylight viewable LCD monitor. It brings traditional indoor activities to the great outdoors. OutdoorHDTV brings High Definition right into your backyard and creates an entirely new entertainment room.

Soak in the hot tub while watching a romantic movie, watch the big game with your buddies while barbecuing and not missing a minute of the action, enjoy family time as you relax under the stars while enjoying your OutdoorHDTV. The list is endless of the applications for the OutdoorHDTV.

OutdoorHDTV is the first commercial grade, all weather, High Definition 1080p daylight viewable LCD screen. Models include our Air Cooled T1 unit with an operating temperature range of 32°-122° F and our T2 model with an operating range of -24°-122°F with an integrated heater. The T2 option is for freezing temperature ranges and conditions. With this option, lower storage temperature ranges can also be achieved when the unit is left plugged in.

Please refer to our DSS line for our other commercial line of products to meet requirements that are more demanding.

DSS.DITHD.com
